Dear Partners and Friends...

Greetings from FGCU & Florida Southwestern State College.

*"For the angel of the Lord is a guard;
he surrounds and defends all who fear him..." Psa 34:7 -KJV*

IAN. In late September we experienced *Hurricane Ian*. I, my residence, and my vehicle made it through safely. Likewise, it appears that all our InterVarsity students and faculty are ok. **To God be the Glory!** Our prayers continue for those who lost loved ones and many who continue to dig out and rebuild their homes and lives.

NEW STUDENT OUTREACH. In early September, before *Ian*, we were grateful to be able to meet new students, pass out materials and have meaningful conversations with atheists, agnostics and believers during *New Student Orientation*. We also began *Small Group Bible Studies* where students connected with God and each other through prayer, worship and Bible study.

WORLD CHANGER. This issue's *InterVarsity World Changer* is *Ashley McClain*. Ashley began her ministry as a vocal musician, singing on stage at *FSW* and in our *InterVarsity Welcome Back Concert* in *FGCU's Alico Arena*. Ashley went on to be used of God singing original songs on our local *CTN* network. God subsequently opened a door for Ashley in *Nashville, TN* where she produced songs and began her continuing ministry leading church worship and working at *Nashville's local CTN affiliate*, where she was recently promoted to *Assistant General Manager*. Ashley also hosts the video podcast *"What If"* on *CTN* - presently reaching thousands of viewers.

URBANA 22. This December *Urbana Missions Conference* will resume in *Indianapolis, IN*. Our InterVarsity chapters have sent delegates to every *Urbana* since *2000*... many of whom have gone to serve in foreign and domestic mission fields.

THANK YOU for your continuing prayers and support as we creatively resume college ministry - *post Ian* - and prepare for the return of our *Florida Fall Conference* and *Urbana!*

**Your partnership is helping to change lives
and the wider world for Jesus!**

Your Campus Missionary, Bill
