Dear Partners and Friends...

Greetings from Edison State College & Florida Gulf Coast Univ.,

"Well done, good and faithful servant!" -Matthew 25:21 NIV

This year's *InterVarsity* student leaders did a commendable job at *Edison* and *FGCU*. We are very grateful to God and give Him the glory for all they were able to accomplish.

Some of this year's semester highlights included:

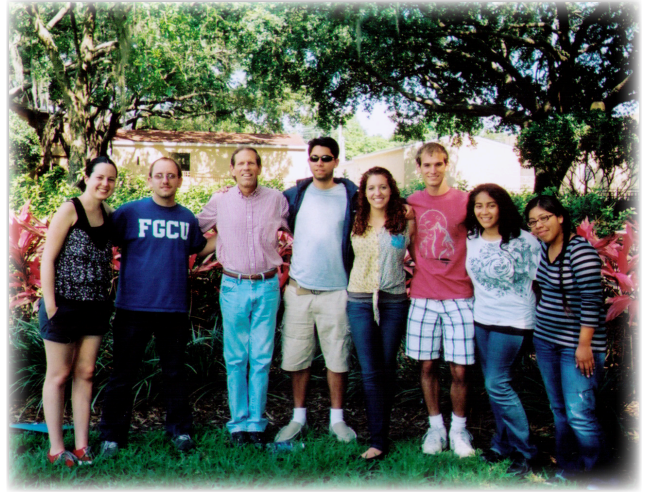

FALL - *Servant Evangelism Move-in Day; International Student Reception; See You At The Pole Prayer Rally; Sonburst 2012* where an Edison student came to Christ; *Operation Christmas Child & the Thanksgiving Basket* projects; *Urbana 12*; vital community building; large and small group Bible studies and prayer and worship groups.

SPRING - More community, prayer, Bible study and worship; *Rose Outreach 2013; Spring Conference; Easter Outreach* where I spoke on "The Significance of The Resurrection" and met an Indiana visitor at the *FGCU* prayer tent who proclaimed "So, there's more going on at *FGCU* than just basketball!" Yes! Florida Gulf Christian University and Edison Spirit-led College are works in progress. Then there was the *Chis Tomlin* concert, and lastly *Focus Week 2013*, where 244 students from about 30 campuses came together for leadership training, I delivered a talk on Sacrifice, and an *FGCU* student came to Christ.

LOOKING FORWARD - As we transition into Summer, our agenda includes: purchasing Bibles in *Spanish, Creole, German, Mandarin, and Portugese* for entering international students; a student leader spending the summer on mission in *Spain*; students stateside reading 10 books of the Bible; gathering new student leaders to prepare for Fall; and raising still-needed funds for the 2013-2014 school year.

THANKS - Thank you for your faithful and vital partnership in prayer and financial support as we co-labor with Jesus on the college campus mission fields of southwest Florida.

Your Campus Missionary, Bill
