NCF students table during FGCU Week of Welcome.

Michele signs up a new student at FSW.

Maria and Alyssa talk to a new student at FGCU.

Bill meets new students from Bangladesh and Kosovo.

Bill teaches on prayer at Meta 18.

Small group Bible study at FGCU.

Dear Partners and Friends...

Greetings from FGCU & Florida Southwestern State College,

"Behold, I will do a new thing... I will even make a way in the wilderness, and rivers in the desert." Isaiah 43:19 -KJV

NEW STUDENT OUTREACH - Local *InterVarsity* students and I are excited to have welcomed over 70 new students so far this Fall during freshman welcome week, the *International Student Reception* and at student organization fairs on campus.

OUTREACH/EVANGELISM - We are also excited that our recent investments in evangelistic outreach materials are bearing fruit. One of our students already led one of her female friends to Christ, and God opened an opportunity for another IV student to share the Gospel with one of his male friends who has communicated his interest in continuing that conversation.

NURSES CHRISTIAN FELLOWSHIP(NCF) - In addition to adding new students and continuing clinically applicable Bible studies, *NCF/FGCU* is continuing to do community service outreach at health fairs like *Dunbar*, where our student leaders' networking with nursing students from other local colleges has birthed a new *NCF* chapter plant soon to be active on the *Nova Southeastern University-Ft. Myers* campus.

META18 - 340 students from across the state recently gathered in *Orlando* for our *Regional Fall Conference* to pray, worship and engage in equipping seminars and plenary sessions challenging them to follow Jesus more deeply. I was privileged to teach 40 students who attended our *Secret of Prayer Seminar*, pray for students later in our prayer room, and help students needing print resources at our book table.

PRAYER REQUESTS -

- Isaiah 43:18-19. College campuses can be desert wastelands spiritually. Pray that through our *friendship evangelism, tabling, Proxe Station* outreaches and weekly *Bible Studies*, the campuses will continue to become fruitful fields and students' lives will be transformed through Jesus Christ.

- *Urbana 18*. Please pray for our student and faculty delegates who will be attending the *Urbana Missions Conference* (www.urbana.org) in December, that they will receive dynamic calls to missions at home and abroad.

THANK YOU for your prayers and financial support. If you have not donated so far this academic year, please consider making a generous gift to our ministry by *December 2018*.

Your Campus Missionary, **Bill**
