Dear Partners and Friends...

Greetings from Florida Gulf Coast University and Florida Southwestern State College.

"And be sure of this: I am with you always, even to the end of the age." Matthew 28:20c NLT

FAITHFUL. Amid our ever changing situations in today's world, Jesus' presence and direction is vital to our ability to victoriously live out The Great Commission. This Fall Jesus has been faithful to expand His footprint on the colleges of SWFL. Our new InterVarsity chapter plant at *FSW South Collier* has been approved by their student government association and should begin meeting in January. They will join our ongoing FSW chapters in *FtMyers, Punta Gorda, LaBelle* and our *FGCU NCF* chapter giving us a Bible believing student group on *every public college and university in Southwest Florida*. Through our new student outreaches, Bible study groups and Fall Conference Jesus has given us numerical chapter growth, personal salvations and strong student witnessing communities on our campuses.

KOSMOS. This Fall's Florida Regional Conference was named *Kosmos*. This year's main theme was *God accomplishing His purposes in the world by turning lament into hope in Jesus*. Jesus put it succinctly in John 16:33 declaring, *"Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world"* NLT. Through interactive displays 164 attendees from 16 colleges were able to grasp the sufferings of Jesus and modern Believers; and through inspiring worship, talks and prayer times come away with hope in Christ. *Ten students made first time decisions to follow Jesus as Lord and Savior, fifteen rededicated their lives and seventy three committed to pursue 2Corinthians 5:19 ministry of reconciliation.*

URBANA. In December we will send a student delegation to *Urbana 25*, the largest student missions conference on the globe (Urbana.org) in Phoenix Arizona. Thank you for your prayers and donations in support of this tradition. We have locally participated in each *Urbana* since 2000 through which we have been blessed to influence over a dozen foreign nations.

THANK YOU. This December is also the last month of 2025 to make tax deductible gifts. If you have not yet donated to our ministry in 2025 please consider doing so, so that we can be on a firm footing from which to launch greater college ministry in 2026.
